This Agreement between Lynch Internal Medicine and the Member will become effective on the date this Agreement is signed by the Member and the first payment is received; provided, however, that such effective date shall not be before October 5, 2009.

I. The Program

In exchange for the Membership Fee (as defined below), Lynch Internal Medicine agrees to limit the number of members the practice serves in order to provide the following amenities:

- Personalized, coordinated preventative health care
- Same day or next day appointments
- Appointments with minimal or no wait time
- Extended appointment times
- 24/7 contact with Dr. Lynch (or covering practitioner)
- Assistance in handling medical needs while traveling
- Appointment for out-of-town guests in need of unexpected care.

The Member acknowledges that these amenities are not covered by insurance and are not reimbursable by the Member's insurer or other health plan.

II. Annual Membership Fee and Deposit

There will be an annual membership fee (the "Membership Fee") which is currently One Thousand Seven Hundred Dollars (\$1,700) per year provided that you pay the entire Membership Fee by the time of your first office visit. If you choose to pay the Membership Fee in installments as set forth in Exhibit A, "Retainer Fee Schedule", which is attached hereto, then additional charges apply. *Please see attached Exhibit A, "Retainer Fee Schedule - Member Program", for payment options, which is attached hereto and made a part hereof.*

Upon signing this Agreement, Lynch Internal Medicine acknowledges that the Member has either paid the Membership Fee in full or has made the first payment of the installment plan that the Member has chosen to accept.

The amount of the annual Membership Fee will not change from year-to-year unless Lynch Internal Medicine provides the Member with thirty (30) days advanced notice prior to the end of a membership year.

III. Renewals and Termination

The Initial Term of this Agreement shall be for one (1) year, and this Agreement shall renew automatically for successive one-year renewal terms (each a "Renewal Term") unless either party gives the other party written notice of intent not to renew in accordance with the provisions stated below. Failure to pay the Membership Fee within the first two (2) weeks of a Renewal Term may result in termination of the Member's membership in the Program.

Lynch Internal Medicine may terminate this Agreement for any reason with thirty (30) days prior written notice to the Member, and the Member is entitled to a monthly prorated refund of the Membership Fee.

The Member may terminate this Agreement for any reason at any time with prior written notice in which case the Member is entitled to a monthly prorated refund of the Membership Fee.

IV. Health Care Services Excluded from Membership Fee

The Membership Fee covers only the amenities stated herein. Lynch Internal Medicine will also provide internal medicine services to the Member at no additional cost to the Member and in accordance with the Member's insurance coverage.

Lynch Internal Medicine will use other physicians or practitioners to cover patients during those infrequent times when J. Kevin Lynch, M.D. is out of town or during such time as he may be unavailable by cell phone.

V. E-mail Communications

If the Member wishes to send e-mail communications to, and receive email responses from, Lynch Internal Medicine or its agents or representatives, the Member should be aware that e-mail is not a secure medium for sending or receiving sensitive personal health information. In the event a communication is time-sensitive, the Member agrees to communicate with Lynch Internal Medicine by telephone or in person. The Member acknowledges and understands that e-mail communications may become part of the Member's permanent medical record.

2. In the event any term or provision of this Agreement is rendered invalid or unenforceable by any federal or state law, rule or regulation or is held by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.

6. Nothing in this Agreement shall be deemed to influence or construed to influence or affect a physician's independent medical judgment on behalf of the Member.

VII. Change of Law

If there is a change of any state or federal law, regulation, or rule that affects this Agreement or the activities of either party under this Agreement, or any change in the judicial or administrative interpretation of any such law, regulation or rule, and either party reasonably believes in good faith that the change will have substantial adverse effect on that party's rights or obligations under this Agreement, then that party may, upon written notice, require the other party to enter into good faith negotiations to renegotiate the terms of this Agreement. The parties shall use their best efforts during a thirty (30) day period thereafter to mutually agree to such amendments. If after such thirty (30) day period the parties are unable to agree to amend this Agreement, this Agreement shall automatically terminate. If the change in law, regulation or interpretation is effective immediately, then either party may immediately terminate this Agreement by written notice to the other party.
